President's Report

Hi Everyone,

We will have a very interesting speaker coming to our May meeting. I am sure you will enjoy her story.

Her name is Carol Ann Garratt and she flew around the world in her Mooney in 2003. Carol Ann will tell us about her adventure.

See you on May 12th at the airport.

Jim

EAA CHAPTER 279

April 14, 2006

Meeting Minutes

After a generous serving of hot

dogs, burgers, sausage, beans

and salad prepped by Gerry

Scampoli & whoever, the meeting

was precluded with an enlighten-

ing videotape of activities @ Cran-

Clerk/Secretary's Report (cont.)

land back in 1988. Many of our former members were recognized. Joe Iaccobucci, Dennis Kuba and other airport notables, including Dick Leighton and Felix Proulx were participants. Fun flick!

@ 2005 Meeting called to order by Jim Lane
President

M - Bob Wilkie, 2nd - Tom Hassie to accept clerk's minutes as submitted in Chapter newsletter. Voice vote was unanimous

M - Bob Wilkie, 2nd - Chip Diggins to accept treasurer's report for Feb 1 through Mar 30 as read by Al Cavacco. Unanimous

Bob Wilkie represented Chapter 279 @ Sun-N-Fun. He offered that the meeting was successful and that Ed Sargent sends his regards to all.

Chapter Members:

"Big" John Meehan was able to join us as part of his recuperation. There were some other long time participants that came to join us. We

Clerk/Secretary's Report (cont.)

welcomed Newt Borden and others who graced us with their presence.

Our Guest speaker Fran McIntire presented his background and knowledge about the memorable PBY aircraft. What he doesn't know about the structure, changes and history about this unique flying boat would probably fill a thimble. His recollection and war stories are wonderful.

The business part of the meeting was brief due to the late start and assuring adequate time for

the speaker.

Jim again reminded the members of the need for assistance on Saturday AM to prepare for Sunday's breakfast and for help at the breakfast.

The meeting was adjourned at or about 2140 hrs.

Respectfully submitted
Walter L. Lockhart, Clerk

It's spring at Cranland when . . .

. . . John Duffy gets his Piper Colt ready

. . . The tetrahedron gets a new coat of paint and white gravel (thanks, Tom Constantine!)

. . . The windsock gets replaced

. . . An airframe arrives in the bed of a truck (hooray for Don Morrissey's BushCaddy!)
